

New Journeys is a comprehensive evidence-based treatment approach for individuals who are experiencing first episode psychosis. This form is a request that an individual be screened for New Journeys and is not a guarantee of acceptance. You may make a referral by filling out this form and faxing it to the New Journeys Manager (253-839-1344) or by calling our referral line (206-408-5329) and leaving a message. After making a referral, you will be contacted within 2-3 business days. If the individual you are referring is in immediate danger to self or others or otherwise in crisis, please contact the King County Crisis Clinic, the 24 hour crisis line at 988, the nearest ED for assistance or call 911.
